

Welcome to the Future of Welling United FC: Youth & Community Event

Welcoming the Next Generation to Welling United FC

Welling United Football Club is thrilled to announce the arrival of its new generation of players and their families, who will be joining us as part of Welling United Youth & Development from June 2026. We are especially excited to welcome Danson Sports Football Club to Park View Road on Saturday, 15th November, for our Isthmian Premier Division fixture against Cray Wanderers FC.

Prostate & Breast Cancer Awareness Event

This special match will also serve as the backdrop for our Prostate & Breast Cancer Awareness Event, held in partnership with Bexley Wellbeing Partnership and NHS Bexley. The event will feature more than ten local services offering free advice and support to all attendees. We are honoured to be joined by the Mayor of Bexley and other prominent local figures, who will help promote this vital collaboration and cause.

Invitation to Danson Sports FC

All Danson Sports players, staff, and families are warmly invited to attend the fixture free of charge this weekend. We encourage your children and players to take part as matchday mascots and to get involved in creating social media content. These stories will help inform our community about the upcoming launch of the new Youth Section for Welling United FC.

Join Us for a Landmark Occasion

We hope to see as many of you as possible at this landmark event, proudly wearing your Danson Sports FC kits. Let us come together to mark the beginning of an exciting new chapter and help create the biggest club in Bexley.

Your Support Matters

Your support is crucial. We want everyone to be part of our journey as we embark on this new phase for Welling United. Please join us and help make this occasion a memorable one for the entire community.

Event Details
